

Social Psychology

2017

Social Psychology publishes innovative and methodologically sound research and serves as an international forum for scientific discussion and debate in the field of social psychology. Topics include all basic social psychological research themes, methodological advances in social psychology, as well as research in applied fields of social psychology. The journal focuses on original empirical contributions to social psychological research, but is open to theoretical articles, critical reviews, and replications of published research.

Drawing on over 30 years of experience and tradition in publishing high-quality, innovative science as the *Zeitschrift für Sozialpsychologie*, *Social Psychology* has an internationally renowned team of ed-

itors and consulting editors from all areas of basic and applied social psychology, thus ensuring that the highest international standards are maintained.

Impact factor of 1.979 for 2015!
